The business card features a red background with a central graphic of overlapping geometric shapes in various colors (yellow, blue, orange, grey). The text is primarily in white and red. The top left corner has a dark blue banner with the text 'Ingénierie de Formations'. Below this, there are several small icons representing different services: a graduation cap, a computer monitor, a handshake, a location pin, a shopping cart, and a document. The text 'Solutions à vos besoins' is placed near the computer icon. The company logo 'FC compétences' is in a white speech bubble shape on the right. Contact information for Françoise Cazals is listed in the bottom right, including address, phone, fax, and email. The website URL is at the bottom.
